FROM THE FOUNDER –

Dear Volunteers:

We Need You! I know I sound like a broken record but my heart hurts for the children who have been through LOR the past months and the number we have served. I hope you all realize how important you are to a child and just a little of your time would be a blessing.

We are in the process of obtaining a truck to help carry the supplies to all of the children in the tri-county area. Look for a letter coming out regarding April Child Abuse Awareness Month. Also, tell your friends and neighbors to watch for our truck placed at various shopping centers throughout April to raise money to customize the truck and paint it.

Also, we would like to hear from you that you would like to remain on our volunteer lists and could possibly give (with your family, friends or a special group) one time per month to come to the Children's Closet to help. We now have a pass-through from one building to the other and have moved rooms around. It is very organized and looks SUPER! Thanks to all the hard work to make this happen, especially Daniel Mundy and Richard Lahue.

I miss seeing you. Please know that "the other person" cannot fill **your** shoes. Let's pass it on – Let's give back!

Love to you all,

Thanks for these donations from  
**Clement, Crawford & Thornhill**
