OUR MISSION

Our mission is to support children in South Carolina suffering from abuse, abandonment and neglect by providing them with emergency clothes through our Care Kit program. We have helped more than 55,000 children since 2007.

HOW YOUR SUPPORT MAKES AN IMPACT

CARE KITS

LOR distributed 6,100 Care Kits in 2023 to local children in crisis. These Care Kits are filled with two weeks of clothing, new socks & underwear, shoes, pajamas, toiletries, school supplies, books and stuffed animals. These Care Kits help the children we serve feel valued and loved.

JUST IN CASE CLOSETS

LOR partners with nearly 50 Title I schools in the Lowcountry to provide emergency clothing closets. These closets include new shirts, pants, socks, underwear, coats and toiletries. This program instills confidence and promotes a positive learning environment for the children we serve.
